Enciclopedia Estudiantil Hallazgos

Appealing Spanish visual dictionary helps readers identify word meanings and build vocabulary. The dictionary combines colorful, powerful imagery with labels to give a visual cue to new terms.

The **Mundo de Animales (World of Animals)** feature provides younger readers with a fun and easy-to-use tool for learning about their favorite animals. With a couple of clicks, younger readers find quick facts, images, videos, and web resources—all in one place!

Periódicos del Mundo Hispánico (Publications of the Spanish-speaking World) enables users to explore current events in Latin America and Spain through a selection of links to dozens of online newspapers.

Key Features

- **Vibrant photos, illustrations, and videos** help visual learners understand key concepts.
- **Content is integrated** with *World Book Kids* so users can toggle back and forth between the Spanish and English versions of an article. This is especially valuable for young English speakers learning Spanish (and young Spanish speakers learning English).
- **Spelling AutoCorrection feature** in the search bar will return valid results, even if the search term is misspelled slightly.
- The **Spanish citations** included in every article help students learn how to cite sources in MLA, APA, and Harvard styles.
- **Educational activities** keep young students engaged in research. *Enséñelo* teacher guides include hands-on lesson plans that incorporate a variety of core subjects.
