Hispánica Saber

Gran Enciclopedia Hispánica

Hispánica Saber/Gran Enciclopedia Hispánica features a broad range of tools to help Spanish-speakers navigate the massive information database.

Use the **Navegador Visual (Visual Navigator)** to explore the intricate connections among the extensive material available online. Next to each icon in the search results, the plus sign enables the user to view related topics; the document icon opens the article on the topic. This unique feature adds a strong visual connection to the content.

The **Atlas** feature contains a search engine to pinpoint locations and offers these types of maps:

- *Mapa físico* (Physical map)
- *Mapa político* (Political map)
- *Mapa físico-político* (Physical and political map)
- *Superficie lunar* (Lunar surface map)
- *Climático* (Climate map)
- *Vegetación* (Vegetation map)
- *Lenguas del mundo* (World language map)
- *Tectónica de placas* (Tectonic plate map)
- *Imagen satélite* (Satellite image map)

Other key features include:

- **Ayuda Escolar (Academic Support)** sections detail various curricular topics in depth, for students ranging in age from 8 to 18.
- **Aprende a Buscar (Learn to Search)** feature explains how to search for information both on- and offline.
- **Eco-consejos (Eco-Advice)** section provides helpful tips on how to live a greener existence—a hot topic in today's world.
- **Citas y frases (Quotes)** section compiles a wealth of quotable information from important names throughout history. This feature is alphabetized by topic or theme and can be searched or browsed.
